

File 15: Atomic Connection (8)

IT WAS  
BRAND  
NEW.

I WONDER  
HOW MUCH  
HE'LL BE  
PAYING THE  
RENTAL-CAR  
COMPANY...

NOAH!  
IF HE'D  
BEEN  
INSIDE IT  
WOULD  
HAVE BEEN  
ALL SHE  
WROTE.

I DON'T  
KNOW...  
BUT  
WHATEVER  
IT IS...  
WE CAN'T  
ENTER  
THE  
POWER  
PLANT.

SO...  
MAYBE THE  
TERRORIST  
HAVE  
ALREADY...

WHAT  
NOW?

HE HAD TOLD  
ME SOMETHING  
WAS UP WITH  
MELICA AND  
THE OTHERS.

THAT  
FLASHING  
LIGHT IN THE  
WINDOW...

XXXXXXXXXXXXXXXXXXXX

Good! Sober! Huh!

EnteroDory! Lovelyyy

UH-HUH, BUT EITHER WAY,  
WE DON'T HAVE THE BOMB  
THE LITTLE GIRL WAS SUP-  
POSED TO BRING. GOOD  
THING WE DIDN'T FINISH  
THIS DAY OFF...

OUR  
MAIN FORCE  
SHOULD HAVE  
TAKEN THE  
POWER PLANT  
BY NOW.

IF WE  
RAISE THE  
POWER TOO  
HIGH, THE  
BOSSER  
POLICE  
MIGHT  
INTERCEPT  
IT.

BUT THE  
TRANSMISSION  
CAN'T GET  
THROUGH THESE  
MOUNTAINS.  
WE COULD  
USE THE  
EXPLO...

ARE YOU ALIVE?  
IT'LL BE A  
PROBLEM IF  
YOU'RE ALREADY  
DEAD.

HAKE

M- MAKE  
DON'T  
COME...  
P- PLEASE  
DON'T...  
COME

COULD YOU TAKE  
ME TO A PLACE  
WITH A TELE--

...PHONE

THANK  
YOU!

Wait--  
all of a sudden  
an intruder--

I guess...  
NOT.

SHE'S  
ENEMY!!

I'LL  
NOW KICK  
DOWN!!

SHE'S WEARING THE  
SAME UNIFORM AS THE  
ONES WHO BRUGHT THE  
GIRL TO THE VILLAGE!  
SHE'S UNDER THE  
VEHICLE.

PROBABLY...THE  
MAINTENANCE  
BUILDING FOR  
THE ROBOTS...

HERE ARE THE  
PLANT'S MAIN  
BUILDINGS.  
WHAT'S THIS  
BUILDING?

SO IT'S  
JUST A  
HOLE...

THIS BUILDING IS  
WHERE I HEARD  
THEY DID THAT.  
NOW THEY JUST  
NEED TO FILL  
IT UP...

IS IT A  
DEEP  
HOLE?

WHEN THEY WERE  
DIGGING OUT THE  
PLANT, THEY CHECKED  
SOIL CONDITION AND  
OTHER STUFF BY  
BORING.

NO IDEA.

AND THIS  
LITTLE ONE?

WELL, I THINK  
I HEARD IT  
ISN'T USED  
ANY MORE.

THEY SAID IT'S  
A VERTICAL HOLE  
1800 METERS DEEP.  
ABOUT TWENTY  
CENTIMETERS IN  
DIAMETER.

WHAT  
DO YOU  
MEAN?

A VIRUS?

VACCINE?

THEY TOLD  
US...NOT...

I THINK THEY WERE  
TERRORISTS...

BUGS INSTINCTIVELY  
FLY TOWARDS INFRARED  
EMITTERS.  
AFTER DARK, NATURAL  
INFRARED EMISSIONS  
REACH THEIR LOWEST  
LEVEL...

THE  
REASON THEY  
LAUNCHED  
THE MISSION  
AT NIGHT,  
WAS BECAUSE  
THE SECURITY  
SYSTEM USES  
INFRARED  
BEAMS.

THE BUGS  
FOLLOW  
THE LINES  
STRAIGHT  
INTO THE  
POWER  
PLANT.

SO THE POWER  
PLANT IS OUT OF  
USE A KIND OF  
INFRARED LINES.

THE MOST  
DISPERSED  
FLIES ARE  
THOSE THAT  
THRIVE IN  
HUMAN  
HABITATS.

FOR TRANS-  
MISSION OF  
POWER.

...NEED...

IS THAT  
AS SOON AS  
THEY REACH  
A LIGHT  
SOURCE  
THEY STOP.

THE  
REASON  
THEY  
CHOOSE  
FLIES

SURELY  
FLIES ALSO  
FLY TOWARDS  
THE SMELL  
OF FOOD.

CARLA  
GIVE LITTLE  
HARE A VAC-  
CINE IS  
WELL.

I WISH  
THERE  
WERE A  
NORTAR  
IN THERE.

IN THE  
HATCH  
WE FOUND  
SEVERAL  
INGRANS  
AND NARO.

HARE!!

WA-  
WHAT  
DID YOU  
DO?

I'M GOING  
WHERE...MY  
FATHER  
IS...WITH  
HANA...

GO...

HARE

I'M SO  
SORRY  
ABOUT  
YOUR  
FATHER.

I'M  
GOING  
TO WAR.

EVERY-  
THING...  
WAS  
TURNED OUT  
AWFUL...

IT... WON'T  
STOP... IN TWENTY  
MINUTES...

PLEASE,  
WAR!!

HOW?  
HOW DO  
I STOP  
IT?

TELL  
ME!

GET  
READY TO  
CHARGE!!  
WE'VE GOT  
TEN MIN-  
UTES TO  
TAKE BACK  
THE POWER  
PLANT!!

COM-  
MAND-  
ER!!
